TEREZA'S SPA

A FACILITY FOR PREVENTION, TREATMENT AND REHABILITATION WITH FULL WHEELCHAIR ACCESS

Tereza's Spa

A historically famous spa in the north of the Czech republic, which was founded in 1870. After a long history of medical rehabilitation, Tereza's Spa became a modern and comfortable facility based on tradition, knowledge and experience which offers high quality treatment, care and spa services.

All services are performed by professionals in the beautiful surroundings of the Ore Mountains. For this reason Tereza's Spa is a perfect place not only for prevention, treatment and rehabilitation, but also an ideal place to relax.

Our main benefits
